*"Creating FlashPoints of Revival"*

**December 2018 Ministry Update**

Greetings in the Name of our Lord, Jesus

Christ!

Please allow me to share for a moment about what God has done and what I believe God to accomplish in the next season of ministry. This has been a remarkable year of ministry as God has done significant things in the altars of revival. In the past year I have ...

- Ministered in 18 different states, 3 countries, and several regional meetings.
- Traveled to Israel for the first time in my life.
- Ministered in Chile and Mexico.
- Witnessed hundreds of hungry people saved and restored.
- Watched God do some supernatural things that were absolutely mind-boggling.
- Seen God expand my borders, opening new doors of opportunity.
- **Taught my Master's Thesis, "The Role of the Evangelist", at Perry Stone's International School of the Word in Cleveland, Tennessee.**

I am grateful for every open door and opportunity that God continues to provide in fulfilling His calling and purpose for my life. This coming year, 2019, will mark the 18<sup>th</sup> continuous year of evangelism. I am confident that God is going to continue to bless **FlashPoint Ministries**, making a difference in this world.

As Christmas approaches, I ask that you remember **FlashPoint Ministries** in your holiday plans. In the spirit of the season, I am hopeful that you will assist me, either personally or through your churches mission outreach, to continue creating "**FlashPoints of Revival**". Your generosity will have a positive impact on the ministry and please know that every gift matters enabling me to always walk through the open doors and never say NO because of finance.

**I believe that 2019 will be a significant year of ministry. The Holy Spirit has recently prompted me to explore the importance of living with our dreams. The biblical example of Joseph reminds us that he never lost sight of his dreams through the many detours he experienced. It was his dreams that enabled him to endure and press forward in the face of tremendous odds. In light of all that is going on in this world, I believe it's the God-given dream (purpose) that continues to provide the impetus for achieving the vision of creating flashpoints of revival.**
